**Dal 1958** le collezioni Corbetta Salvatore nascono per dare una risposta qualificata ed esaustiva al bisogno dei mercati internazionali di componenti e prodotti finiti per l'arredo, volti a soddisfare le nuove aspettative e necessità del mercato.

Ogni prodotto nasce sotto un'attenta analisi delle tendenze e richieste della clientela e viene sviluppato secondo un binomio che contraddistingue lo sviluppo di ogni prodotto: design e funzionalità.

La produzione interna spazia dalla lavorazione dell'acciaio a quella dell'alluminio, della plastica, del legno, garantendo la massima flessibilità all'azienda che permette di soddisfare le richieste di una clientela molto ampia, con gusti e necessità differenti.

Corbetta Salvatore offre la possibilità di realizzare prodotti unici e specifici per ogni singolo cliente grazie a personalizzazioni studiate da un attento gruppo di collaboratori aziendali che, mediante il loro bagaglio di esperienza e tradizione, trovano la soluzione giusta ad ogni tipo di richiesta.

***Since 1958**, the Corbetta Salvatore collections have been created to give a qualified and comprehensive response to the need of components international markets and furniture products, aiming to satisfy the new expectations and needs of HO.RE.CA market.*

*Each product is born under a careful trend analysis and customer request and it is developed according to a combination of design and functionality. Internal production goes from steel processing to aluminium, plastic and wood, ensuring maximum flexibility to match all requests with different tastes and needs.*

*Corbetta Salvatore offers the possibility to create an unique and specific product for any individual customer through customization and bespoke design. Our team, through their experience and skills, can find the right solution for every type of request.*

# 1958

**Il Signor Corbetta Salvatore con la moglie Rita fonda la Corbetta Salvatore Srl come azienda specializzata nella produzione di sedie, tavoli e accessori per il mobile a Cassago Brianza, in provincia di Lecco.**

**L'unità produttiva è di 500 mq. Da subito si rivolge ad un mercato nazionale ed Europeo affermandosi come produttore forte ed affidabile.**

*Mr Corbetta Salvatore and his wife Rita founded Corbetta Salvatore Srl as a company specialising in the production of chairs, tables and furniture accessories in Cassago Brianza, in the province of Lecco.*

*The production unit is 500 square metres. The company immediately addressed a national and European market, establishing itself as a strong and reliable producer.*

# 1961

**Partecipa al primo Salone del mobile di Milano, la prima di una lunga serie di fiere in Italia e all'estero che portano a far conoscere l'azienda a livello internazionale.**

*The company participates in the first Salone del Mobile in Milan, the first of a long series of fairs in Italy and abroad that lead to make the company known internationally.*

# 1979

**La produzione si amplia ulteriormente nella nuova sede di Molteno. L'unità produttiva è di 4000 mq.**

*Production is further expanded at the new site in Molteno. The production unit covers 4000 square metres.*

# 1990

**Con l'entrata in azienda del genero Alfio Valnegri l'azienda espande i propri orizzonti commerciali verso il nascente mercato del DIY. Con i suoi accessori diventa azienda di riferimento per gran parte delle catene negozi nazionali ed internazionali sul mercato Italiano.**

*When son-in-law Alfio Valnegri joined the company, it expanded its commercial horizons towards the emerging DIY market. With its accessories it became a reference company for most of the national and international chain shops on the Italian market.*

# corbetta

1999

La sede di Molteno si amplia ancora fino a raggiungere l'attuale superficie di oltre 16000 mq.

*The Molteno site is expanded to its current size of over 16,000 square metres.*

2007

Con l'acquisto dei prodotti e del marchio Ego Project si afferma sul mercato internazionale degli accessori per interno armadio

*With the purchase of the Ego Project products and brand, the company established itself on the international market for interior fittings.*

2008

Dal 2008 la proprietà investe in tecnologia dotandosi di macchine per la produzione, sempre più performanti e innovative. Inizia così lo sviluppo tecnologico dell'azienda che punta ad affermarsi sempre di più nel settore arredo-contract, realizzando negli anni una vasta gamma di prodotti per questo mercato ormai divenuto mondiale.

*Since 2008, the owners have been investing in technology, equipping themselves with increasingly high performance and innovative production machines. This is the beginning of the technological development of the company that aims to establish itself more and more in the furniture-contract sector, creating over the years a wide range of products for this market that has become worldwide.*

2012

La gestione passa alla terza generazione. Una storia di famiglia che guarda al valore della tradizione con lo sguardo volto al futuro. Inizia parallelamente un percorso di sostenibilità dei prodotti e di ottimizzazione delle risorse ed energia. Macchinari sempre più all'avanguardia ma dai consumi ridotti, ottimizzazione packaging e logistica, riciclo e Sistema Qualità Certificato garantiscono la massima sostenibilità per prodotti e ambiente.

*The management passes to the third generation. A family history that looks to the value of tradition with an eye to the future. At the same time, a path of product sustainability and optimisation of resources and energy begins. Cutting-edge machinery with reduced consumption, optimised packaging and logistics, recycling and a certified quality system guarantee maximum sustainability for products and the environment.*

A photograph of a modern dining table and chairs. The table is round with a dark, marbled top and a single copper-colored leg. The chairs are black with silver metal frames. The floor is a light-colored terrazzo with colorful speckles. The text 'round' is centered in the upper half of the image, and 'TABLE BASE' is centered below it.

DESIGN FOR LIVING

**FELXO A BREVETTATO / PATENTED**

Meccanismo di chiusura realizzato in acciaio zincato ad alta resistenza. Permette la chiusura e l'apertura dei fianchi tavolo tramite la semplice pressione della leva posta nella parte superiore del meccanismo.  
*Closing mechanism made of high resistance steel. Allows the closing and opening of the table frame through the pressure of the lever placed in the upper part of the mechanism.*

**GIUNTO PER TAVOLI / EXTENSION SYSTEM**

Giunto in plastica. Consente di unire e bloccare la posizione dei tavoli una volta che i piani sono affiancati tra loro.  
*Plastic joint. Block the table position once the tops are placed side by side.*

BARRE DI RINFORZO / REINFORCING BARS

GIUNTO / JOINT

# flexo A/B

## TABLE BASE

FLEXXO A - Strutture di elementi tubolari in acciaio predisposte con appositi attacchi e di meccanismo per fissaggio al piano. Il meccanismo è dotato di sistema di bloccaggio dei fianchi sia a tavolo aperto che chiuso. Dotate di piedini regolabili. I tavoli che adottano questo sistema di basi possono essere sovrapposti, pallettizzati e impilati.

*Tubular steel frame complete with connections and mechanism for top fixing. The mechanism is equipped with a frame locking system when table is open or close. Adjustable feet included. With this frame system tables can be stackable and piled up on pallets.*

FLEXXO B - Strutture di elementi tubolari in acciaio predisposte con meccanismo ribaltabile in plastica ad alta resistenza per il ribaltamento dei piani. Tutte le strutture sono dotate di piedini regolabili. I tavoli che adottano questo sistema di basi possono essere sovrapposti, pallettizzati e impilati.

*Metal bases provided with opening/closing top mechanism can be releases by pulling red lever. Mechanism is made by high strong plastic. All frames are equipped with adjustable feet. The tables which take this base system can be stacked, stacked on pallet.*

A close-up photograph of a modern chair with a vibrant red finish. The chair features a curved, tubular frame and a seat made of light-colored wood with a thin, curved wooden edge. The background is a solid, matching red color. The text 'pepper' is overlaid in a lowercase, sans-serif font, and 'CHAIRS' is in a smaller, uppercase, sans-serif font below it.
